

Make another woman's journey a little easier by donating your wig.

What types of wigs and accessories do you accept?

We accept wigs that are either brand new or very gently used as well as accessories, i.e. wig stands, that are in their original, unopened packaging.

What is the best way to donate my wig(s)?

You can mail your wig to us using U.S. Postal Service, or any other mailing service. Please include a note with your name and email address so we can acknowledge the receipt of your wig. Our address is:

**TWE
916 Kingston Avenue
Piedmont CA 94611**

What happens to my wig after I donate it?

If your wig is brand new, we will put it into our Wig Salon for clients to choose from. If the wig has been gently used, or not in its original packaging, we will professionally clean the wig and put it into our Wig Salon. Clients view the Wig Salon and choose the wig(s) they want to try on. When a wig is selected we will provide the client with their wig, a stand, wig care products, accessories and instructions. When the client no longer needs the wig, they return it to us and if it is in good condition, we will clean and restock it into our inventory.

Is my wig donation tax-deductible?

Your donation to The Wig Exchange - in the form of a wig, accessories or monetary contributions - is tax deductible to the extent of the law. Please confirm details with your accountant or financial advisor. We can provide you with a letter for tax purposes confirming that you donated your wig(s), however we cannot indicate a dollar amount in the letter because the item(s) have been previously owned. If you have the original wig receipt, we recommend you use this with our letter to itemize your donation. Please be sure to specify to whom and where the letter should be sent.
